INDEX TO FOREIGN COMMERCE WEEKLY

July 1 - September 30, 1958

Listed in this index, by country, are articles which appeared in Foreign Commerce Weekly during the third quarter of 1958.

Excluded are items carried in the Investment Opportunities, World Trade Leads, and the publications departments; and the brief notes usually appearing in the Fairs and Exhibitions, Transportation and Utilities, and Travel and Communications departments.

This index is printed with its own page numbers in the center of the magazine so that it may be detached and used separately.
